

April 25, 2016: FOR IMMEDIATE RELEASE

HF-L Education Fund awards grants to two Lima Primary Teachers

The HF-L Education Fund Board is pleased to announce that they have awarded 2 grants to Lima Primary Teachers.

- **Scott Schaefer's** grant will include Lego Duplo base plates and Lego Duplo pieces. A Duplo construction wall will be created and children will be able to construct along a vertical surface using gross motor skills reaching and stretching upward. A similar idea has been exhibited at Strong Museum of play.
- **Adrienne Ripley** will receive a grant for reading caddies. Each caddy will include the reading supplies that will support independent reading. Caddies will contain "Toobaloo" listening devices so children can hear themselves read, post it notes, and file folders. They will have everything to be organized so they can drop everything and read!

The HF-L Education Fund was created in December 2011 to promote creative and diverse academic opportunities for HF-L students through grants to teachers and staff. Beginning in the spring of 2012, the HF-L Education Fund has provided more than \$11,000 in grant awards to support innovative educational initiatives that go above and beyond our school district's requirements, bridging the gap between a great education and an exceptional one.

HF-L Education Fund is a component fund of Rochester Area Community Foundation and all donations are tax deductible to the full extent allowed by law.

For more information or to make a donation, please visit www.HFLEducationFund.org

Board of Trustee Members: Janet Somes, Laurene Hofmann, Drew Costanza, Lynley Guckian, Mike McDougall, Mike Silverstein, Hilary Stott, Dawn Hiller Harvell, Traci Mustardo, Lisa Moosbrugger and Nick Norvell
